ABLLS-R VISUAL PERFORMANCE

Name: _____

B1 Insert Puzzle																			
3 pieces sep. trial and error																			
5 pieces sep. trial and error																			
3 pieces together looking																			
5 pieces together looking																			

B2 Form Box																			
2 pieces trial and error																			
4 pieces trial and error																			
4 pieces look and locate																			
6 pieces look and locate																			

B3 Match object to object																			
file card from two																			
highlighter from two																			
permenant marker from two																			
Pen from two																			
pencil from two																			
toilet paper roll from two																			
twoonie from two																			
white out from two																			
lego from two																			
link from two																			
file card from three																			
highlighter from three																			
permenant marker from three																			
Pen from three																			
pencil from three																			
toilet paper roll from three																			
twoonie from three																			
white out from three																			
lego from three																			
link from three																			

B4 Match object to picture																			
File card																			
Highlighter																			
Permanent marker																			
Pen from three																			
Pencil																			
Toilet paper roll																			
Twoonie																			
White out																			

* use Picture to Object file

B5 Match picture to picture																				
Pot from two																				
Van from two																				
Ball from two																				
Pen from two																				
Cat from two																				
Cow from two																				
Bike from two																				
Pop from two																				
Bed from two																				
Book from two																				
Door from two																				
Cup from two																				
Dog from two																				
Pot from three																				
Van from three																				
Ball from three																				
Pen from three																				
Cat from three																				
Cow from three																				
Bike from three																				
Pop from three																				
Bed from three																				
Book from three																				
Door from three																				
Cup from three																				
Dog from three																				

* use Picture to Picture file

B6 Match picture to object																				
File card																				
Highlighter																				
Permanent marker																				
Pen																				
Pencil																				
Toilet paper roll																				
Twoonie																				
White out																				

* use Picture to Object file

B7 Fluent matching																				
Match 5 items 15 seconds																				
Match 10 items 30 seconds																				

B8 Sort into categories																				
Cars two pics																				
Cars three pics																				
Cars four pics																				
Chairs two pics																				
Chairs three pics																				
Chairs four pics																				
Dogs two pics																				
Dogs three pics																				
Dogs four pics																				
Flowers two pics																				
Flowers three pics																				
Flowers four pics																				
People two pics																				
People three pics																				
People four pics																				
Trees two pics																				
Trees three pics																				
Trees four pics																				

* use Picture Sort file

B9 Block Design on card																				
2 blocks no extra																				
4 block no extra																				
4 block with extra																				
6 block with extra																				

* use Block Design file

B10 Insert Frame Puzzle																				
5 piece puzzle A																				
5 piece puzzle B																				
5 piece puzzle C																				
5 piece puzzle D																				
8 piece puzzle A																				
8 piece puzzle B																				
8 piece puzzle C																				
8 piece puzzle D																				

B11 Frame Puzzle																				
2 piece puzzle A																				
2 piece puzzle B																				
2 piece puzzle C																				
3 piece puzzle A																				
3 piece puzzle B																				
3 piece puzzle C																				
4 piece puzzle A																				
4 piece puzzle B																				
4 piece puzzle C																				
5 piece puzzle A																				
5 piece puzzle B																				
5 piece puzzle C																				

B12 Block Design from card															
2 blocks no extra															
4 block no extra															
4 block with extra															
6 block with extra															

* use Block Design file

B13 Copy Sequence															
6 blocks 2 types no extra															
6 blocks 3 types no extra															
8 blocks 4 types no extra															
8 blocks 4 types with extra															

* use Copy Sequence file

B14 Non- interlocking puzzle															
3 piece puzzle A															
3 piece puzzle B															
4 piece puzzle A															
4 piece puzzle B															
4 piece puzzle C															
4 piece puzzle D															
5 piece puzzle A															
5 piece puzzle B															
5 piece puzzle C															
5 piece puzzle D															

B15 Jigsaw Puzzle															
8 piece puzzle A															
8 piece puzzle B															
12 piece puzzle A															
12 piece puzzle B															
12 piece puzzle C															
12 piece puzzle D															

B19 Sort by Class																				
food apple																				
food orange																				
food peanut butter																				
food jam																				
food carrot																				
food crackers																				
clothes pants																				
clothes sweater																				
clothes bathing suit																				
clothes socks
