I4 Sings songs with models																			
The itsy bitsy spider <b>Went up the water spout,</b>																			
Down came the rain <b>And washed the spider out,</b>																			
Five little monkeys <b>jumping on the bed,</b>																			
One fell off and <b>bumped his head!</b>																			
Mary had a little lamb <b>Fleece was white as snow,</b>																			
Everywhere that Mary went <b>the lamb was sure to go,</b>																			
Six little ducks <b>That I once knew,</b>																			
Fat ones, skinny ones, <b>fair ones too</b>																			
I'm a little teapot <b>Short and stout</b>																			
Here is my handle and <b>here is my spout</b>																			
Baa, baa, black sheep, <b>Have you any wool?</b>																			
Yes sir, yes sir, <b>Three bags full.</b>
