I4 Sings songs with models															
The itsy bitsy spider Went up the water spout,															
Down came the rain And washed the spider out,															
Five little monkeys jumping on the bed,															
One fell off and bumped his head!															
Mary had a little lamb Fleece was white as snow,															
Everywhere that Mary went the lamb was sure to go,															
Six little ducks That I once knew,															
Fat ones, skinny ones, fair ones too															
I'm a little teapot Short and stout															
Here is my handle and here is my spout															
Baa, baa, black sheep, Have you any wool?															
Yes sir, yes sir, Three bags full.
